# IEEE ComSoc Sendai Chapter

Chair Nei Kato

# Our activties

- **Purpose**
  - Members exchange information about research with each other
  - Invigorating member's research
- **Activities**
  - Holding Distinguished Lectures(DL)
  - Giving IEEE ComSoc Sendai Chapter Student Excellent Research Award to fine researchers

Distinguished lecture

# Officers and the number of held DL

**Table 1. Officers**

| Position | Name |
|---|---|
| Chapter Chair | Nei Kato |
| Chapter Treasurer | Yuichi Kawamoto |
| Chapter Vice Chair | Hiroshi Tsunoda |
| Chapter Secretary | Hiroki Nishiyama |

**Table 2. The number of held Distinguished Lectures(DL)**

| Year | Number of held DL |
|---|---|
| 2015 | 6 times |
| 2016 | 7 times |
| 2017 | 14 times |

# Distinguished Lecture examples

- **35th Technical Meeting**
    - [Lecturer] Prof. Lingyang song
    - [Title]
      Game Theory for
      Big Data Processing

- **39th Technical Meeting**
    - [Lecturer] Prof. Jiajia Liu
    - [Title]
      Cooperative Jamming in
      Wireless Networks with
      Eavesdroppers at Arbitrary Locations

- **42th Technical Meeting**
    - [Lecturer] Prof. Jalel Ben-Othman
    - [Title]
      DoS in Vanets an issue or a fatality

# Award

- IEEE ComSoc Sendai Chapter Student Excellent Research Award
- 2015 Award winners
  - Trinh Viet Phuc, Vuong Viet Mai, Keisuke Miyanabe
- 2016 Award winner
  - Hideki Kuribayashi

# Tohoku University Student Branch

- Members : 30 people

- Purpose :
    - To give students the opportunity to interact with other branch's students, members of society, etc.

- Main activities :
    - Interaction with students and members of society
    - Attend Student Branch Leadership Training Workshop
    - Plan workshop with other university branches
    - Tours of local companies in Sendai
    - IEEE Sendai Section Student Award
    - IEEE Sendai Section Student Session
    - Joint Seminar on Information Processing Engineering
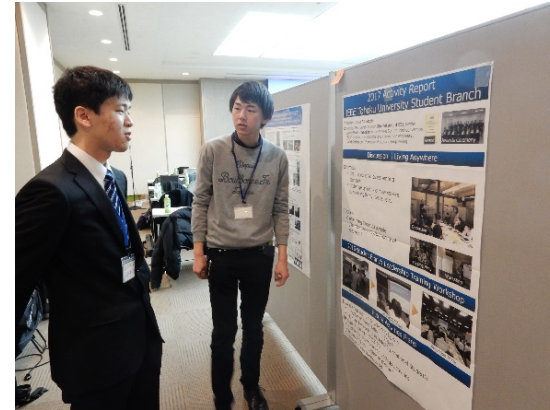

# Achievement in recent years

## Academic-Industrial collaboration workshop

- Exchange views of the research trends, career plans, etc.
- Interaction between members of academia/industriy

## Student Branch Leadership Training Workshop

- Poster session on the activities of each branch
- Lectures given by professionals in the field, etc.

## Workshop to think about social problems

- Share social problems among students
- Exchange opinions of new service considering living & career

## Tours of local companies in Sendai

- Visit leading companies located in Sendai
- Learn leading edge technologies in engineering field
