# Activities of IEEE COMSOC Shanghai Chapter in 2008

14 Oct. 2008

By Xinwan LI

# Brief Introduction Shanghai Chapter

- Established in 2007
- Active member: 124 (till 28 Feb. 2008)
- Chaired by:

Yikai Su

Xinwan Li

# Academic activities from Jan. 1st 2008

- **Title 1** :A new world under optical microscopy  
**Presenter:** :Prof. Min Gu , Faculty of Engineering and Industrial Sciences  
Swinburne University of Technology, **Australia**  
**Time :** **2:00PM on 4 March 2008**  
**Address:** Rm5-215 of SEIIE SJTU
- **Title 2**::Faster than Light? A Resolution of the Tunneling Time Paradox  
**Presenter:** :Prof. Herbert G. Winful, EECS Department, University of Michigan,  
Ann Arbor, MI, **USA**  
**Time :****1:30 PM 29 May 2008**  
**Address:** Rm5-215 of SEIIE SJTU
- **Title 3**:The Mathematical Parallels Between Packet Switching and Information  
Transmission  
**Presenter:** Prof. Tony T. Lee, Information Engineering Department, Chinese  
University of Hong Kong, Shatin, NT, **Hong Kong**  
**Time:** **10: 00 am on 11 Aug. 2008**  
**Address:** Rm5-215 of SEIIE SJTU

# Further Plan

- The 15th Asia-Pacific Conference on Communications (APCC2009) will be held in Shanghai, China, co-sponsored by
