Approval Process

The petition to form an chapter of IEEE communication society in Xi'an

June 18,2007: invited by Shri Goyal, Director - Membership Programs Development

June 2007-May 2008: IEEE ComSoc Members collecting

June 2, 2008: approved by IEEE Xi'an Section

June 3, 2008: The petition was emailed to Shri Goyal

June 9, 2008: support letter from Prof. Zhisheng Niu

June 11, 2008: approved by Shri Goyal

June 17,2008: New Geographic Unit Approval Request for the IEEE Xian Section Communications Society Chapter issued

June 17,2008: approved by Vice-President Byeong Gi Lee

June 18,2008: approved by Janina Mazierska, IEEE Region 10 Director

June 19, 2008: welcome by Shri Goyal

Chapter Information

Chair : Dr. Jiandong Li

Professor

**Vice Dean,
Graduate School , Xidian University**

**Director,
State Key Lab. of Integrated Service
Network**

Chapter Information

Members: 15

Name	Member Number
Kehu Yang	41248571
Zan Li	85014456
Hongfei Ma	41331316
Xinmei Wang	01674050
Baoming Bai	40304752
Guangliang Ren	80319041
Jiandong Li	40211828

Chapter Information

Name	Member Number
Changxin Fan	00014993
Min Sheng	41430434
Yan Shi	90382100
XiaoHui Li	90286807
Ying Li	90336869
Jianguo Huang	40102258
Yi Wan	
Kevin On	41377292

综合科技实力居全国第三位
Ranks the 3rd in China in Terms of
Comprehensive Science and Technology Competence

The base for the chapter

Xidian University, under the jurisdiction of the Ministry of Education, dedicates primarily to **the electronics and information** education and research, with an integration of a wide range of academic subjects covering engineering, physics, management, economy, arts and social sciences. One of **20** national key universities approved by the state in **1959**.

The base for the chapter

Northwestern Polytechnical University is China's only research-oriented, multi-disciplinary, and international university of science and technology, which simultaneously excels at Aeronautics, Astronautics, and Marine Engineering. The University emphasizes science and technology, while harmoniously developing the fields of management, humanities, economics, and law.

The base for the chapter

Xi'an Jiaotong University passed the key construction of national "Seventh Five-Year Plan" "Eighth Five-Year Plan", "211 Project" and "985 Project". It has developed into a university that has the feature of science and Engineering and covers 9 subjects such as science, engineering medicine, economics, management, art and law. It has become an important base that is the integration of talents training, scientific research and social services and propels the social development.

Activities for the chapter

1. The summer school on “Information Science and Communications Engineering” for graduate students

**120 students outside
Xi'an**

**110 students from
Xi'an**

Activities for the chapter

The following IEEE professors are invited to give lectures

Dr. Yuguang Fang, University of Florida , IEEE Fellow

Dr.Zhi Ding , UC Davis, IEEE Fellow

Dr. David Zhang ,Hong Kong Polytech., IEEE Distinguished Speaker (Computer Society)

Dr. J. Wang , University of Kent, Editor of IEEE Transactions on Communications and IEEE Journal on Selected Areas in Communications

Activities for the chapter

2.Youth Scientist Forum on Electronics and Information from Taiwan and Mainland (Sept 18-19, Xi'an)

9 Scientists : Taiwan
20 Scientists: Mainland

**Topics: Future Internets
4G Mobile Comm.
Network Security
Intelligent Computing**

Future Activities

- 1. Xi'an Chapter party, Nov. 2008**
- 2. Invite Prof. Lang Tong, Prof. Cornell Univ. , IEEE Fellow
Dec. 2008**
- 3. Organizing the ChinaCom 2009 Aug. 2009**
- 3. Enhance IEEE**
- 4. Others**

Thank you!
