## **ACTIVITIES-2006**

**During the year, following activities were held:**

**Events with the sponsorship from the Parent IEEE Society**

**Events in association with Local Government supports.**

**Events in association with Industry**

**Individuals' events organized with Local Professional bodies and others.**

**Promotional activities.**

**(Details of all the activities mentioned above are available in the  
Major Technical activities report 2006.)**

## **ACTION POINTS FOR CONSIDERATION TO RCCC**

**RCCC may consider the following:**

- a) **The participation fee in the conferences being supported by ComSoc is becoming unaffordable day by day specially by the academicians and students.**
- b) **ComSoc may consider GLOBECOM-2011 to be held in India.**
- c) **Selection and participation of DLT's from Developing Countries.**
- d) **ComSoc may consider outsourcing some of services in developing countries wherever there is substantial cost savings. This will penetrate IEEE name in TRADE WING OF THE COUNTRY**
