South Australia ComSoc Chapter Report

1) Need to discuss the value proposition (what the ComSoc membership offers) to suit the scenarios of
   – small chapter, low budget
   – all members in universities and research organisations
   – all members do have access to IEEE facilities via employers
   – all members know each other and network amongst themselves anyway.

2) Chapter Chair change at the end of 2003

3) 2003 activities
   – 1 DL (Lajos Hanzo) - 2 lectures jointly with IT Chapter
   – 1 invited speaker lecture (from Australia)
   – 3 postgraduate students gave technical seminars (part of being sponsored by the SA Section for conference travel)
   – sponsorship (mostly in-kind contributions) of WITSP'03 conference

4) 2004 activities to date
   – one DL (Prof. Andrzej Jajszczyk) lecture
   – up to 5 students were given support for conference travel (ComSoc travel grants and SA
   – Section travel grants) and will give technical seminars
   – sponsorship (in-kind) of WITSP'04 conference
