# EAME RCCC Meeting, Dresden 2009

COMSOC - ISRAEL Chapter

# General Information

- IEEE Israel Section currently has more than 1300 members, which are active in 18 professional groups (chapters).
- The section holds a highly respected biannual convention and many other conventions, conferences, courses, meetings and lectures.
- Our chapter holds an annual conference in cooperation with the Ministry of Science, and other seminar conducted by the Technion-Israel Institute of Technology and other Israeli Universities.
- Chapter chair - Prof. Cohen, CS Department, Technion, Israel
- Vice Chair – Itai Dabran , CS Department, Technion, Israel
- As of today, our Chapter has 206 active members

# 2008 Activity

- Last year we took a part in the 2008 IEEE 25-th Convention of Electrical and Electronics Engineers in Israel.
- The communication part took a major role in this conference, lectures were given by some of our senior members.
- More than 20 talks were given on various subjects regarding communication topics, such as Mobile Wireless Networks, Cellular networks and much more.

2008 IEEE 25-th CONVENTION OF  
ELECTRICAL AND ELECTRONICS  
ENGINEERS IN ISRAEL

December 3-5, 2008, Eilat, Israel

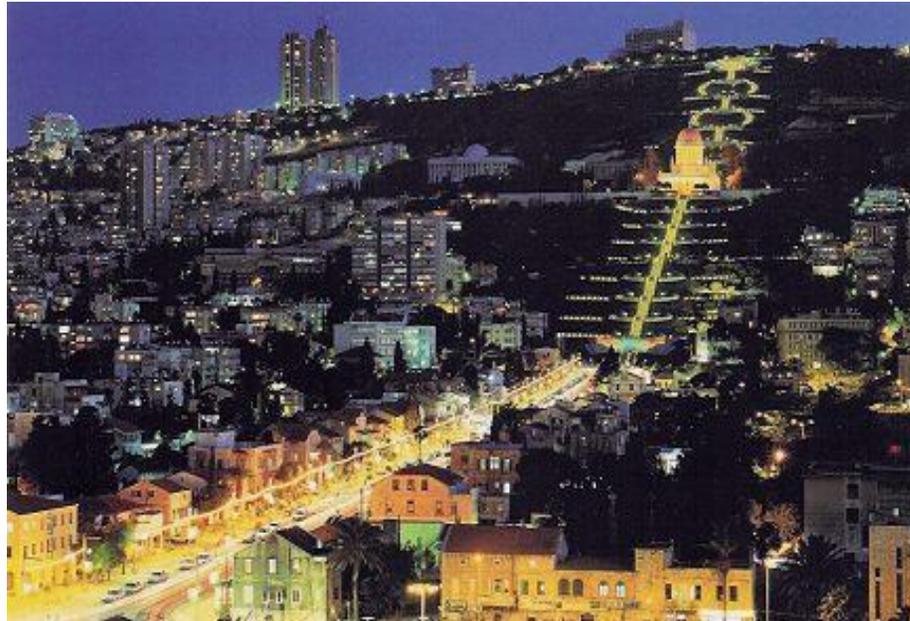

# 2009 Activity

- Our current major activity : The 8th IFIP Annual Mediterranean Ad Hoc Networking Workshop, Med-Hoc-Net 2009
- Med-Hoc-Net is a major annual international workshop, aiming to serve as a platform for researchers and visionaries from academia, research labs, and industry. Following Sicily (2006), Corfu (2007), and Palma de Mallorca (2008), Med-Hoc-Net 2009 will take place in Haifa (Israel). It will be held at the Viterbi Computech Center in the Department of Electrical Engineering at the Technion-Israel Institute of Technology.

# Med-Hoc-Net 2009

- The registration fees include Workshop material, coffee, lunch, Caesarea trip and Caesarea dinner.
- **Student:** \$50    **Non-student:** \$150
- **Spouse:** Caesarea trip and dinner - cost \$40

# Haifa
