# ComSig Orange County Chapter

- *My Name Ghyath Alzaim I was ComSig secretary for two years and IEEE member for 7 years. I came from technical background.*

- *Graciano previous chair stepped down.*

- *We have total of 10 volunteers (3 of them are ladies).*
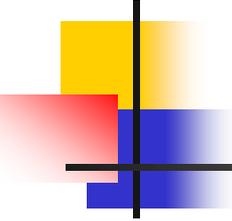

ComSig Orange County Chapter

- *Last couple of years we suffered from lack of volunteers*

- *This year looks fine but still two positions open*
  - *Membership development*
  - *Student activities chair*

- *We had a give away gifts to encourage new volunteers.*

- *Our administrative meeting is every six weeks with dinner but the one who is 15 minutes late will pay for his dinner.*
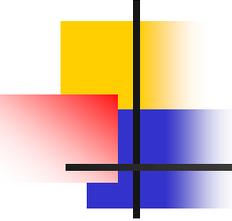

ComSig Orange County Chapter

- *The number of members as of Dec 2005 was 343 ComSoc and 135 SP.*

- *Technical meetings:*
    - *Adaptive MIMO OFDM receivers (Dr Ali Sayed)*
    - *Internet 3.0, ten problems (Raj Jain)*
    - *Multi-channel wireless network (Dr Vadiaya)*
    - *WiMAX 802.16e (Dr Louay)*
    - *Co-Sponsor 2007 IEEE MTT-S radio & wireless symposium*
    - *We will have UWB lecture next month (Dr John Santhoff)*

ComSig Orange County Chapter

- *Some times we have joint technical meeting with computer society*

- *We do send out technical meeting announcement early and keep resending few more times to make sure we capture the largest number possible.*

- *Finally we improved our website and implemented online 123 signup.*

Thank you
