The theme of the 2003 NA - RCCC is:

**“Together We Can Make It Happen –
for the IEEE & the Communications Society”**

Overview

The goal of the 2003 NA – RCCC is to provide a networking opportunity for the NA COMSOC Chapters and to educate the same for the purpose of improving their programs and finances and to better establish the IEEE and the Communications Society in the local communities. We will:

Overview

- **Meet with IEEE and Communications Society volunteers and staff to hear ways that we can work together to increase membership and awareness and achieve the overall goals of the IEEE and COMSOC**
- **Hear testimonials from NA COMSOC chapters and to network and learn from each other on ways to improve the chapters from a grass roots approach**
- **Participate in a workshop to explore ways to enhance & improve the local programs, increase membership in the IEEE and COMSOC, retain sponsorships and enhance and improve the local balance sheets, and how to attract and retain volunteers**

Overview

**Your Participation and Ideas
are Paramount to the Success
of this Event!!!**
