ELECTIONS

Board of Governors², 30 November – 1 December 2005

At our ICC2005 meeting AHSNTsC has set up the procedures for the election of the new executives and an election Committee has been formed (Len Cimini, Mehmet Ulema, and Romano Fantacci). The election of the executive officers (Chair, Vice-Chair, and Secretary) will be held at Globecom'2005 meeting in St Louis. The term for every position is two years. Afterwards, normally, elections will take place every two years for only one position (the Secretary), and at that time the secretary will become the new Vice Chair, and the Vice Chair will become the new Chair. There was been already call for nominations for the three executive positions for the election in St Louis.
