THE COMMUNICATIONS SOCIETY (COMSOC)
of THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS, INC.
and
AUSTRALIAN COMPUTER SOCIETY INC (ACS)

Publications Side Memorandum of Understanding

1. ACS-TSA Promotion in ComSoc
   1.1. The IEEE Communications Society (ComSoc) will review for publication yearly at least one article, previously published in an ACS-TSA journal or magazine. ComSoc will publish no more than two such articles per year. An ACS-TSA officer will manage the preparation of these articles, submitting them for publication in collaboration with the ComSoc Directors of Magazines or Journals for consideration in the appropriate ComSoc journal or magazine.
   These articles will be prepared in English prior to submission to ComSoc.

   1.2. Activities of ACS-TSA will be promoted in ComSoc's IEEE Communications Magazine using a one-page advertisement prepared by ACS-TSA describing the Organization and its programs.

   1.3. The ACS-TSA advertisement will appear annually in IEEE Communications Magazine no later than 3Q of every year; publication date will be mutually agreed upon no less than six months prior to publication.

   1.4. ComSoc will display the one-page advertisement in its www server and replace the advertisement with an annual update from ACS-TSA; a pointer will be provided to the ACS-TSA home page.

   1.5. ComSoc will display one copy of each ACS-TSA journal and magazine at ComSoc's ICC and GLOBECOM conferences and will distribute subscription forms and calls for papers as provided by ACS-TSA. One current copy of each ACS-TSA publication will be air shipped to ComSoc for this purpose.

2. ComSoc Promotion in ACS-TSA

   2.1. ACS-TSA will review for publication yearly at least one article previously published in a ComSoc journal or magazine. ACS-TSA will publish no more than two such articles per given year.
   ComSoc's Director of Journals or Director of Magazines will manage preparation of these articles, submitting them to the Editorial Board Director of ACS-TSA for consideration in the appropriate ACS-TSA journal or magazine.
   ComSoc will submit these in English; ACS-TSA will determine whether to translate them into the local language for publication.

   2.2. ComSoc publications will be promoted in a ACS-TSA magazine or journal using a one-page ad prepared by ComSoc describing the Communications Society, its sister-society relationship with ACS-TSA, and ComSoc magazines and journals. This ad will be published annually and will focus on publications.

   2.3. The annual advertisement will appear in ACS-TSA's magazine no later than 3Q of every year; the publication date will be mutually agreed upon no less than six months in advance.

   2.4 ACS-TSA will display the one-page advertisement in its www server and replace the advertisement with an annual update from ComSoc; a pointer will be provided to the ComSoc home page.
2.5. ACS-TSA will display one copy of each ComSoc's magazine and journal at major ACS-TSA conferences and meetings, and will distribute subscription forms and appropriate ComSoc calls for papers. One current copy of each publication will be air shipped to ACS-TSA for this purpose.

2.6. ACS-TSA will offer ComSoc's magazines and journals in annual subscription promotions associated with membership renewals. The current ACS-TSA member subscription rates for ComSoc publications (print and electronic combination) shall be as follows (US dollars):

- IEEE Communications Magazine $47
- IEEE Network $58
- IEEE Wireless Communications $58
- IEEE Communications Letters $76
- IEEE Transactions on Communications $85
- IEEE Journal on Selected Areas in Communications (JSAC) $85
- IEEE Transactions on Wireless Communications $87

Publication rates are subject to annual increases.

Air freight postage will be an additional: $102, $79, $72, $79, $112, $121, and $68, respectively. (Note: All listed rates are subject to change.)

2.7. ComSoc will offer ACS-TSA magazines and journals in annual subscription promotions associated with membership renewals. The annual ComSoc member subscription rates for ACS-TSA magazines and journals shall be as follows (US Australian dollars):

- Telecommunications Journal of Australia (TJA) $70

3. General Considerations

3.1. The above sister-society publication promotions will be implemented at no charge to either society.

3.2. All publications, papers and promotions will be in the English language except for sections 1.5 and 2.1 (above).

3.3. This side MOU is subject to stipulations in the main MOU between ACS and ComSoc (Section III: A – F).

Please indicate concurrence by returning one fully executed letter.
