   1.1. The IEEE Communications Society (ComSoc) will yearly consider for review the publication of at least one article, previously published in an SBrT journal or magazine. ComSoc will consider no more than two such articles per year. An SBrT officer will manage the preparation of these articles, submitting them for publication in collaboration with the ComSoc Directors of Magazines or Journals for consideration in the appropriate ComSoc journal or magazine. Publication shall be subject to approval by the appropriate ComSoc Editor-in-Chief; may be subject to independent refereed review; and shall be consistent with IEEE copyright policies and IEEE Publications Services and Products Board operations. These articles will be prepared in English prior to submission to ComSoc.

   1.2. Activities of SBrT will be promoted in ComSoc's *IEEE Communications Magazine* using a half or one page advertisement prepared by SBrT describing the Organization and its programs.

   1.3. The SBrT advertisement will appear annually in *IEEE Communications Magazine*—no later than the third quarter of every year for the duration of this agreement; publication date will be mutually agreed upon six months prior to publication, and submission is subject to appropriate publication schedules.

   1.4. ComSoc will display the advertisement on its web server and replace the advertisement with an annual update from SBrT; a link will be provided to the SBrT home page. Approval of the advertisement shall be at the discretion of IEEE ComSoc.

   1.5. ComSoc will display one copy of each SBrT journal and magazine at its ICC and GLOBECOM conferences, and will distribute subscription forms and calls for papers as provided by SBrT. One current copy of each SBrT publication will be air shipped to ComSoc for this purpose.
