ComSoc/CCIS-- MOU--Extension to Side Agreement

THE COMMUNICATIONS SOCIETY (COMSOC)
of THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS, INC.
and
COMMUNICATIONS AND INFORMATION SOCIETY, CROATIA (CCIS)

MEMORANDUM OF UNDERSTANDING (2007)
EXTENSION TO PUBLICATIONS SIDE AGREEMENT

1. Preamble:
Currently there is a Sister Society Agreement between ComSoc and CCIS to which is coupled a Publications Side Agreement. The latter allows for a number of mutual benefits between the two societies, primarily related to the promotion of the two societies' journal publications and their advertisement, the review of papers and the displays of copies of the publications at the conferences of the two societies.

In addition, the CCIS journal, "Journal of Communications Software and Systems", is at endorsed by the ComSoc Technical Committee on Communications Software.

The present document is a Memorandum of Understanding to extend the current Publications Side Agreement to include ComSoc technical cosponsorship of the above journal as described in the following.

2. Extension of Publications Side Agreement:

ComSoc agrees to technically cosponsor the existing journal, "Journal of Communications Software and Systems" of the CCIS for the calendar years 2012 - 2015 (4 years). The conditions under which this technical cosponsorship is agreed to are the following:

a) This sponsorship implies that each issue of the journal may carry the ComSoc logo and may indicate this technical cosponsorship on its front cover.

b) As part of the cosponsorship, ComSoc will post on its Sister Societies publications web page, http://www.comsoc.org/pubs/sispubs.html, the front cover, table of contents and subscription information for each issue of the journal. ComSoc will bear the cost of operating the web site.

c) The editorial and review processes of the journal must continue to conform to standard IEEE and ComSoc policies as noted in the main Publications Agreement.

d) There shall continue to be at least one ComSoc member involved in the editorial processes of the CCIS journal.
e) There is and shall be no financial commitment on the part of ComSoc to the publication of the CCIS journal except as noted in point (b) above.

3. **General Considerations:**

   a) All stipulations and conditions of both the main Sister Society Agreement and the Publications Side Agreement between the CCIS and ComSoc shall continue in force.
   
   b) All publication of the journal shall be in the English language.

Please indicate concurrence by returning one fully executed copy of this MOU.
