COMSOC – FRUCT Action Plan Outline for 2011-2013 period

In the period 2011-2013 FRUCT and COMSOC will endeavor to accomplish the following:

1. Joint organization of two Conferences/Events per year in Finland or Ukraine or Denmark or Russia in the area of Telecommunications Software Platforms and Wireless Services, beginning with one in 2011, the FRUCT Conference to be held in Tampere in November 7-11, 2011, http://fruct.org/conference10
2. COMSOC will provide training material for consideration by FRUCT that will assess how to use this material, or part of it, in its training courses, at the fees applicable to COMSOC members.
3. In its events focused to university students FRUCT will advertise the COMSOC Gold Program
4. COMSOC DLT and DSP that will take place in Finland, Russia, Ukraine and Denmark will be advertised by FRUCT and will be accessible to FRUCT members
5. Each year in November FRUCT will make its general plan of events for the following year available to COMSOC for discussing how best to cooperate on some of those events.
6. FRUCT will publish information on their activities once a year on the Communications Newsletter
7. FRUCT welcomes a COMSOC representation (one/two persons) on its Advisory Board
