1. SCS Promotion in ComSoc

1.1. The IEEE Communications Society (ComSoc) will yearly consider for review the publication of at least one article, previously published in a SCS journal or magazine. ComSoc will consider no more than two such articles per year. A SCS officer will manage the preparation of these articles, submitting them for publication in collaboration with the ComSoc Directors of Magazines or Journals for consideration in the appropriate ComSoc journal or magazine. Publication shall be subject to approval by the appropriate ComSoc Editor-in-Chief; may be subject to independent refereed review; and shall be consistent with IEEE copyright policies and IEEE Publications Services and Products Board operations.

These articles will be prepared in English prior to submission to ComSoc.

1.2. Activities of SCS will be promoted in ComSoc's *IEEE Communications Magazine* using a half or one page advertisement prepared by SCS describing the Organization and its programs.

1.3. The SCS advertisement will appear annually in *IEEE Communications Magazine*—no later than the third quarter of every year for the duration of this agreement; publication date will be mutually agreed upon six months prior to publication, and submission is subject to appropriate publication schedules.

1.4. ComSoc will display the advertisement on its web server and replace the advertisement with an annual update from SCS; a link will be provided to the SCS home page. Approval of the advertisement shall be at the discretion of IEEE ComSoc.

1.5. ComSoc will display one copy of each SCS journal and magazine at its ICC and GLOBECOM conferences, and will distribute subscription forms and calls for papers as provided by SCS. One current copy of each SCS publication will be air shipped to ComSoc for this purpose.

2. ComSoc Promotion in SCS

2.1. SCS will yearly review for publication at least one article previously published in a ComSoc journal or magazine. SCS will consider for publication no more than two such articles per given year, consistent with ComSoc/SCS copyright and related operations guidelines. ComSoc's Director of Journals or Director of Magazines will manage or oversee preparation of these articles, submitting them to the Editorial Board Director of SCS for consideration in the appropriate SCS journal or magazine.

ComSoc will submit these in English; SCS will determine whether to translate them into the local language for publication.

2.2. ComSoc publications will be promoted in a SCS magazine or journal using a half or one-page ad prepared by ComSoc describing the Communications Society, its sister-society relationship with SCS, and ComSoc magazine and journals.
2.3. The annual advertisement will appear in SCS magazine(s) no later than the third quarter of every year; the publication date will be mutually agreed upon at least six months in advance.

2.4 SCS will display the advertisement on its web server and replace the advertisement with an annual update from ComSoc; a link will be provided to the ComSoc home page.

2.5. SCS will display one copy of each of ComSoc's magazine and journal at major SCS conferences and meetings, and will distribute subscription forms and appropriate ComSoc calls for papers. One current copy of each publication will be air shipped to SCS for this purpose.

2.6. SCS will offer the following ComSoc's periodicals -- magazines, transactions, and journals -- in annual subscription promotions associated with membership renewals at ComSoc current member subscription rates.

IEEE Transactions on Communications
IEEE Journal on Selected Areas in Communications (JSAC)
IEEE Communications Letters
IEEE Communications Magazine
IEEE Network Magazine
IEEE Wireless Communications Magazine

Current ComSoc periodical rates can be found at www.comsoc.org, specifically under Publications/Subscription Information/IEEE Communications Society Member.

2.7. ComSoc will offer SCS magazines, transactions and journals in annual subscription promotions associated with membership renewals. The annual ComSoc member subscription rates for SCS magazines and journals shall be established each year.
