

Industry Outreach Programs

The [Industry Now](#) (INN) Program is designed to promote industry participation in the IEEE Communications Society (ComSoc) around the world by offering companies the opportunities to utilize the values that ComSoc creates by working with the professional around the world. It is specially tailored for industry in the fast developing regions. It offers the option of customizing packages to suit both geographic and company-specific needs.

Road Shows Program

India - [February 2007](#)

India - [November 2007](#)

Indo/China - [July 2008](#)

India/China - [December 2008](#)
