

# ComSoc honors members who reach 10, 20, 25 Years Milestones

As of end of 2012, there were 12,128 members with over 10 years; 3,808 members with over 20 years, and 1,916 members with over 25 years membership with ComSoc. This is a testament to the vitality of the industry and the dedication of those who have chosen it as their lives' work.

Every year, ComSoc congratulates members who reach 10, 20, and 25 years milestones. Many thanks are extended for their dedication to the Society through their membership and active participation.

Currently, those who reached 10, 20, 25 years membership marks in 2012 are receiving a Certificate of Appreciation from ComSoc, a letter from the ComSoc President, and a special memento as a token of the special relationship ComSoc shares with its members. This recognition is a reminder of the many ways ComSoc membership helps members personally and professionally.

If you are among the members who are receiving the membership recognitions, you are welcome to post a picture of your certificate on the social media to share with friends and colleagues with hashtag #comsoc.

Warmest congratulations!

From all of us at the ComSoc membership team
