

ComSoc membership exceeded the 50,000 mark - Greetings from ComSoc President

Dear ComSoc Members and Social Media Fans,

I have wonderful news for you that ComSoc's membership exceeded the 50,000 mark for 2010! Such a membership jump was made possible by the great team effort of our devoted volunteer leaders and creatively working staff. I am so proud of the exemplary ComSoc "volunteer-staff partnership" and the great support of all members and social media fans.

Now entering the New Year, 2011, we would like to continue this pace of growth in every sector of operations by implementing the visions of the ComSoc "Golden Triangle" and "Growth Engine". Please take time to read through the President's Page on the January 2011 issue of [*IEEE Communications Magazine*](#) to discover more about the vision of "ComSoc 2020" and make your suggestions to help develop the vision.

Best wishes,

Byeong Gi Lee
