

ComSoc Recognizes Long Time Members

Every year, ComSoc congratulates members who reach 10, 20, and 25 years milestones. Many thanks are extended for their dedication to the Society through their membership and active participation.

As of end of 2010, there were 12,300 members with over 10 years; 3,600 members with over 20 years, and 1,800 members with over 25 years membership with ComSoc. This is a testament to the vitality of the industry and the dedication of those who have chosen it as their lives' work.

In the next few weeks, those who reached 10, 20, 25 years membership marks in 2010 will receive a Certificate of Appreciation from ComSoc, a letter from the ComSoc President, and a special memento as a token of the special relationship ComSoc shares with its members. This recognition is a reminder of the many ways ComSoc membership helps members personally and professionally.
