Get the new IEEE ComSoc App. Connect Instantly with the Community.

An advertisement for the IEEE ComSoc mobile app. It features a blue banner at the top that reads 'IEEE COMSOC MOBILE APPS for iPhone, iPad and Android'. Below the banner, several smartphones and tablets are displayed, showing the app's interface. The app interface includes a grid of colorful icons representing various community features. At the bottom of the advertisement, there is a grey bar with the text 'Community. Connect. Communications.' and a red bar with the text 'IEEE COMMUNICATIONS SOCIETY the Global Community of Communications Professionals'. Logos for the App Store and Google Play are also visible.

Instantly connect with IEEE ComSoc - the world's largest technical community of communications professionals with the new **IEEE ComSoc** app.

The **IEEE ComSoc** app is available for iPad, iPhone and Android from the [Apple App Store](#) and [Google play](#). It provides notifications for important news, events and promotions, and direct access to blogs, eNews, online tools, and more. It's your mobile connection to the ComSoc community at the fingertips.

ComSoc's vast resources, publications, networking events, technical committees, local Chapters, global Sister Societies, Awards Categories, have been increasingly bringing members to the community. The new IEEE ComSoc app conveniently brings the community members closer, globally and locally. It integrates social features, with easy access to ComSoc Facebook page, Instagram, Video. It has built in icons directing to free online benefits such as ComSoc Technology News (CTN), Publications Digest, Article of the Month, Best Readings. The app also features Calendar, photos, Contact center, Career Center in addition to the Portfolio Events, publications, and membership.

Other apps currently at the IEEE ComSoc's Mobile Apps website are: IEEE WCET - Focusing on Wireless Communication Engineering Technologies Certification and Training courses; and the *IEEE Communications Magazine* on iPad.
