

IEEE Communications Society Publications Contents Digest

Too many publications too little time? Here is a convenient free service from ComSoc.

IEEE Communications Society Publications Content Digest is a handy guide that helps readers keep track of the latest published articles in one place.

Readers can take a glimpse of the hot topics. Click on the interested title. The interactive links of the titles take you directly to magazine and journal abstracts and full paper pdfs via IEEE Xplore.

Publications in the November issue of the Digest include:

IEEE Communications Magazine

IEEE Network Magazine

IEEE Transactions on Communications

IEEE Communications Letters

IEEE Communications Surveys & Tutorials

IEEE Transactions on Wireless Communications

IEEE Transactions on Mobile Computing

Journal of Lightwave Technology

[The IEEE Communications Society Publications Content is available in Digital Book version.](#)

[PDF version also available.](#)
