## ◆ [ComSoc Training](#)

In addition to the publications and conferences the IEEE Communications Society produces each year, training based on the technical areas ComSoc covers is now also available. Offered in both online and in-person formats, getting the training you need has never been this easy.

## ◆ [ComSoc Webcasts](#)

A collection of recorded sessions of keynotes, plenaries, forums, panels, workshops and tutorials given at ComSoc sponsored conferences -- CCNC, DySPAN, GLOBECOM, ICC and WCNC.

## ◆ [FREE ComSoc Tutorials](#)

Each month, IEEE Communications provides a selection of FREE tutorials, thanks to our corporate sponsors.

## ◆ [Tutorials Now](#)

Each tutorial consists of the PowerPoint™ slides used for the original tutorial augmented with new audio recordings by the original presenters.

## ◆ [IEEE ComSoc Webinar](#)

Are free corporate-sponsored, ComSoc organized online, multimedia panel sessions open to all members.

## ◆ [Wireless Communication Engineering Technologies](#)

Is a certification program and an examination that reflects the realities of what wireless professionals need to know and be able to do on the job.
