New Edition!  
56,000+ Papers  
51,000+ Authors

## **Engineering Technology A Comprehensive Collection of Papers 1953-2007**

Compiled by the IEEE Communications Society  
New Revised and Updated 3rd Edition

A library of more than 56,000 technical research/industry papers published by the IEEE Communications Society from the Society's inception in 1952 through the end of 2007. Unique and unparalleled in breadth, depth, and scope, the collection covers all the important breakthroughs with peer-reviewed papers from more than 51,000 authors of the past half-century. Selected IEEE Communications Society conference proceedings from 1998 - 2007 are also included. DVD format, 4 discs. PDF files. Publication, Author, and Subject Indices. Author profiles. Linked references & citations, including selected US Patent links. **DVD set for individual computer use only, not for networking.**

### **Conferences (1998-2007)**

- IM - Integrated Network Management Proceedings
- GLOBECOM - IEEE Global Telecommunications Conference
- INFOCOM - Conference on Computer Communications
- ICC - IEEE International Conference on Communications
- MILCOM - Military Communications Conference Proceedings
- NOMS - Network Operations and Management Symposium
- WCNC - Wireless Communications and Networking Conference
- CCNC - IEEE Consumer Communications and Networking Conference
- SECON - IEEE Communications Society Conference on Sensor and Ad Hoc

## Communications and Networks

- PIMRC - IEEE International Symposium on Personal, Indoor and Mobile Radio Communications
- DYSPAN - IEEE International Symposium on Dynamic Spectrum Access Networks
- ENTNET – IEEE International Conference on Enterprise Networking and Services

## Periodicals

- IEEE Transactions on Communications 1953-2007
- IEEE Journal on Selected Areas in Communications 1983-2007
- IEEE Communications Letters 1997-2007
- IEEE Communications Magazine 1973-2007
- IEEE Network 1996-2007
- IEEE Wireless Communications (formerly Personal Communications) 1996-2007
- IEEE Transactions on Wireless Communications 2002-2007
- IEEE/ACM Transactions on Networking 1993-2007
- IEEE Communications Surveys & Tutorials 1998-2007
- IEEE Transactions on Network and Service Management 2007
- IEEE Journal of Communications and Networks 1999-2007
