

## Back Issue

The **Back Issues** from inception are available for this publication through the new [ComSoc Digital Library](#). To get to the back issues, please go to <http://dl.comsoc.org/dl>.

- To get to a back issue, go to Content Type located on left column of the ComSoc DL.
- Browse your issue by clicking on the appropriate nodes. For example, to get to the December 2011 issue of IEEE Communications Surveys & Tutorials, browse to
  - **Journals**
    - **IEEE Communications Surveys & Tutorials**
      - **2011**
        - **December**
- This will display all articles for that particular issue.
- Note that you'll need a valid IEEE Account with the proper credentials to view articles of a certain publication

**Access to IEEE Communications Surveys and Tutorials is available to non-members as well as members of the IEEE Communications Society, however you must create [IEEE Account](#).**
