Welcome to *IEEE Network - The Magazine of Global Internetworking*. *IEEE Network*, published bimonthly, offers readers topics of interest to the networking community. As such, *IEEE Network* provides a focus for highlighting and discussing major computer communications issues and developments. The articles are intended to be surveys or tutorials, slanted towards the practical, and comprehensible to the nonspecialist, as well as practitioners.

For those interested in volunteering to be on the *IEEE Network* Editorial Board, please [click here](#).
