> [Apply now](#)

Your application will be circulated and reviewed and if it is determined that your profile matches the need of a particular event, the Technical Program Chair or General Chair of that event will contact you to discuss your possible involvement.

[Volunteer For Publications Editor](#)

Are you enthusiastic?

Have you performed quality reviews for technical periodicals?

Demonstrated solid technical accomplishments?

Have a reputation for high ethical standards and for reliability?

The IEEE Communications Society is looking for volunteers who are interested in becoming part of a prestigious Communications Society [magazine](#) and [journal](#) editorial boards.

Duties include: A commitment to handle at least two manuscripts per month; arrange for three reviews or more in a timely fashion; and the ability to make firm and fair decisions.

Qualifications: Subject matter expertise, editing experience, technical program committee experience; references, representative papers.

> [**Apply now**](#)

The decision to appoint an editor rests with the Editor-in-Chief of the journal/magazine.
