### ◆ [ComSoc Digital Library](#)

With conference proceedings and periodical legacy data back to 1953, the ComSoc Digital Library contains over 50,000 papers.

### ◆ [Top Ten](#)

A list of the ten most popular articles published in ComSoc periodicals viewed online, based on PDF views through IEEE Xplore.

### ◆ [Tech Focus](#)

Exclusive, free access on a single topic from all IEEE Communications publications, journals and conferences.

### ◆ [Best Readings](#)

Best Readings is a collection of books, articles, and papers on a featured topic.

### ◆ [Industry News](#)

Industry News is a monthly digest of current news items related to specific communications topics. Each short item is linked to its Internet source. Topics have included forums, standards, fiber optics, LTE

### ◆ [ComSoc Technology News \(CTN\)](#)

CTN is an online publication that periodically provides the summaries of interesting, timely, and newsworthy papers and articles from ComSoc journals, magazines, and conference proceedings and other IEEE publications.

### ◆ [Publications Contents Digest](#)

This monthly ComSoc publication provides lists of current tables of contents of the periodicals sponsored by the Communications Society. Each article or entry is linked to the abstract or the paper appearing in IEEE Xplore. Each issue offers readers a rapid means to survey and access

the peer-reviewed papers of the IEEE Communications Society.

### ◆ [Free Article of the Month](#)

Complimentary access to a select article from the current issue of IEEE Network or IEEE Wireless Communications.

### ◆ [Ethics and Editing](#)

**ComSoc has a new policy on multiple submissions and plagiarism. Since December 2018, the following policy is in place:**

In addition to the IEEE policies, pre-publication author misconduct, such as double-submission or plagiarism, will result in rejection of the manuscript(s), and a minimum 6 month ban on submitting to fully owned ComSoc publications by the author(s).
