

## February 2013 - EXTRA - Volume 5, Issue 2

### In this issue:

- **Advance Your Career With the IEEE Wireless Communication Certification**
- **Deadline Reminder: Commit to Taking the IEEE WCET Certification Exam**
- **Professional Development Opportunities: March & April**
- **IEEE WCET Mobile App is now Available for iPhone and iPad and Android**

### Advance Your Career With the IEEE Wireless Communication Certification

With new mobile technologies constantly being introduced into the marketplace and with increased competitiveness in the job market, many professionals are asking themselves, "What can I do to stand out?" and "What talent are employers seeking to bring on board?" For wireless communication professionals, earning the IEEE Wireless Communication Engineering Technologies (WCET) Certification, offered by the IEEE Communications Society, can be the answer. It was for me. [Read Elena Neira's full blog on The Institute Roundup.](#)

### Deadline Reminder:

### Commit to Taking the IEEE WCET Certification Exam

[Applications](#) for the April/May 2013 testing window for IEEE WCET certification are being accepted now through **22 March 2013**. Once you have completed the exam application, you can then decide the day that you would like to take the exam between the dates of **7 April and 4 May**. [Act now](#) to become an IEEE Wireless Communications Professional (WCP) this year.

Curious if certification is right for you? [Learn more about it online](#) where you can also [review application details](#) and [understand exam specifications](#) to get a comprehensive view of exactly what is covered on the exam. You'll get a full appreciation of the breadth and depth of what [IEEE WCPs](#)

know and why they stand head and shoulders above the competition.

### **Professional Development Opportunities: March and April**

#### **[Wireless Communications Engineering: Current Practice](#)**

Tue, March 5, 2013 - online - 9:00am - 4:30pm EST

#### **[Practical Wireless Communications Engineering](#)**

Tue, March 12, 2013 - In Person at IWCE, Las Vegas, Nevada  
Las Vegas Convention Center - Room N234

#### **[Boot Camp for the Wireless Professional](#)**

5 day online course (9:00am - 11:00am EST; 2 hour break then resume at 1:00pm - 3:00pm EST each day)

1-5 April 2013

20 hours of instruction - Earn 2 IEEE CEUs for participating.

#### **4G - Deep Technology Insights**

Fri, April 12, 2013 - In Person Course at the Marriott Courtyard in Bellevue/Redmond, WA - USA

[Details, including locations, course outline and registration.](#)

## **IEEE WCET Mobile App is now Available for iPhone and iPad and Android**

Visit the [Apple App Store](#) to download the free IEEE WCET Mobile App on your iPhone and iPad and visit [Google Play](#) to download it for Android.
