

# Call for Papers

| PAPER TOPICS   | PUBLICATION DATE | MANUSCRIPT DUE DATE |
|--|------------------|---------------------|
| <a href="#">Multicell Cooperation</a>  | February 2013    | May 25, 2012        |
| <a href="#">Next Generation Cognitive Cellular Networks: Spectrum Sharing and Trading</a>        | April 2013       | October 15, 2012    |
| <a href="#">Mobile Cloud Computing</a>   | June 2013        | November 1, 2012    |
| <a href="#">Wireless Networking for e-Health Applications</a>                                    | August 2013      | February 1, 2013    |
| <a href="#">Cooperative and Cognitive paradigms for Green HetNets</a>                            | October 2013     | April 15 2013       |
| <a href="#">Mobile Social Networks</a>   | February 2014    | June 1, 2013        |
| <a href="#">Enhancing Spectral Efficiency for LTE-Advanced and Beyond Cellular Networks</a>      | April 2014       | July 15, 2013       |
| <a href="#">Research &amp; Standards: Leading the Evolution of Telecom Network Architectures</a> | June 2014        | October 15, 2013    |
