Reviewers and Editors Appreciation 2016

By Octavia A. Dobre, Editor-in-Chief

On behalf of the Editorial Board, I would like to thank all our reviewers for their effort and dedication. As has already become customary, at the beginning of each year we recognize reviewers for their sustained and outstanding review contributions. The list of 2016 exemplary reviewers is provided below.

This year, for the first time, we recognize our editors for their outstanding service in terms of timely decisions and constructive feedback provided to authors. Our exemplary editors represent approximately 10% of the editorial team; their names are listed below.

Let us congratulate both reviewers and editors for their exceptional service in 2016!

The high quality of the IEEE COMMUNICATIONS LETTERS would not be possible without the invaluable support of reviewers, editors and authors. Thank you all for your great contributions during 2016!

As we are beginning a New Year, I would like to end this editorial note by wishing all our readers, authors, reviewers and editors a happy, healthy, and prosperous New Year!
